

5<sup>th</sup> January, 1996

Dear All Staff,

I am sorry this is so belated but thank you all for your incredible generosity to myself (and Dick & Brian) this Christmas. Your support for us is overwhelming, and it truly bowled us over.

The Master has settled in quite well back here in L.A., although the rumbling sounds of returning to S.B. have been stirring there last few days. All in all we had a good Christmas and a quiet New Year.

It has been wonderful to have Marie here, and we shall all miss her; especially those of us who eat at the table.

Very best wishes to you all for '96,

love Paul.
